Location : Your Choice! The comfort of your computer placement

COURSE : 7pm—8pm (MST)

ONLY \$400 First Participant from business

\$100ea. To add other staff from Same business.

This Level I business management course is designed specifically for you, the independent automotive aftermarket shop owner. During this course you will:

- Hear about the future of the automotive aftermarket
- Recognize disruptors and their effect on your business
- Understand the aftermarket "STEM"
- Learn a new way of scrutinizing your business' success
- Analyze specific revenue and expense numbers from your own business
- Understand how to create a strong business culture
- Develop your team into a cohesive, professional unit
- Discuss the concept of team profit sharing
- Discuss the difference between successful and non-successful people
- Understand how client perception can build a client strategic business

Oct/Nov 2020 course

How it Works:

- Interactive, live, on-line sessions led by Bob Greenwood, AMAM.
- A detailed handout is provided for each session.
- 8 sessions, 1 hour each – participants must attend all 8.
- Homework is assigned after each session as you study your own business moving forward.

Final session includes an open-book test and certificate of successful completion.
